Important Notification - All MHMR Tarrant Employees

Please take the time to review this document in its entirety.

Currently, criminal history checks are conducted at date of hire and annually thereafter for each employee of our organization. These background checks are processed the month prior to an employee’s anniversary month. Please be advised that it will be the responsibility of our organization to ensure that none of our employees have been convicted of any of the offenses listed on the “Permanent Bars to Employment”. If any of the following bars to employment appear on an employee’s background check, be advised that this is grounds for immediate termination. The statute including any changes to the statute applies to all employees regardless of length of employment. (Example: If you have been employed by MHMRTC prior to new statutes, your employment with the organization will be terminated if any of the Permanent Bars to Employment appear as a conviction on your background check).

The statute is found in the Health and Safety Code Chapter 250, which lists bars to employment, and can be reviewed at: http://www.statutes.legis.state.tx.us/Docs/HS/htm/HS.250.htm

Please be informed that MHMR of Tarrant County must adhere to the statute and any changes in the statute in order to remain in compliance with all state laws. Listed on the attached pages are the bars to employment and any additional bars added as a result of any changes in statute since October 2007. We continually monitor the statute and will revise this list as needed:
