F.A.R.M. (Farmers Assisting Returning Military)
“Dirt Therapy” is the keystone of our program. Working with the earth is incredibly grounding and restorative. Farming in a peer-to-peer environment fills many of the voids that are missing for the veteran such as structure and regimen, physically and mentally challenging yourself, being part of something important, renewed mission and purpose, and of course, camaraderie.

The publication of this Resource Guide was made possible, in part, through a Texas Veterans Commission program called the Texas Veterans + Family Alliance (TV+FA). TV+FA was created as a result of Senate Bill 55 to improve the quality of life of Texas Veterans and their families by supporting local Texas communities across the state to expand the availability of, increase access to, and enhance delivery of mental health treatment and services.

Grant awards are made to existing or developing community collaboratives to fund delivery and coordination of mental health and supportive services.

In recognition of the goals of the TV+FA program, the Counseling, Mental Health and Peer Support Services section is bordered in black to make it easy to locate even when the guide is closed.

“Honor to the soldier and sailor everywhere, who bravely bears his country’s cause. Honor, also, to the citizen who cares for his brother in the field and serves, as he best can, the same cause.”

— Abraham Lincoln
