

## Medical, Behavioral and Psychiatric Support Program

---

### What is the Medical, Behavioral and Psychiatric (MBP) Program

- The MBP program will provide the support activities to Local Intellectual and Developmental Disabilities Authorities (LIDDAs) and Home and Community-Based Services (HCS) and Texas Home Living (TxHmL) program providers that serve individuals with Intellectual and Developmental Disabilities (IDD) at risk of being admitted into an institution, and those who have moved from institutional settings, including State Supported Living Centers (SSLCs) and Nursing Facilities (NFs).
- The Program is designed to assist LIDDAs and providers in enhancing services and supports to assist Individuals and avoid institutionalization.

### Designated Service Area

- MHMR Tarrant will provide MBP support in the designated service area that consists of the following LIDDAs:
  - Betty Hardwick Center
  - Center for Life Resources
  - Helen Farabee Centers
  - Pecan Valley Centers

### Services

- Educational activities
- Webinars
- Videos
- Correspondence
- De-identified (as necessary) case reviews
- Technical assistance, upon request from LIDDAs and providers, on specific disorders and diseases

### Staff Resources

- MHMR has designated licensed health related professionals with expertise in working with individuals with IDD such as:
  - Physicians
  - Physician's Assistants
  - Registered Nurses
  - Psychiatrists
  - Psychologist
  - Behavioral Specialists
- Additional health-related professionals with additional areas of expertise will be sought out as needed.
