"Bid Tabulation Statement"

All bids submitted for the designated project are reflected on this bid tab sheet. However, the listing of a bid on this sheet should not be construed as a comment on the responsiveness of such bid or as any indication that MHMR accepts such bid as responsive. MHMR will make a determination as to the responsiveness of bids submitted based upon compliance with all applicable laws, MHMR Tarrant guidelines, and project documents, including but not limited to the project specifications and contract documents. The Agency will notify the successful bidder upon award of the contract and, according to law, all bids received will be available for inspection at that time.
